One, it helps build God's kingdom here on earth. Two, it is a road map to Heaven. Let's help each other get there!

**Cemetery Stake out Eagle Project**

Hi my name is Jacob Zinniel. I am in need of some assistance for my project and to benefit our church. The day of the project (June 24th) we will be putting in PVC into the ground, so who ever plows, can put a snow plow stake in it so that in the winter the plow person does not run over any graves. It will also help Cleo Williams mark grave plots. Like I said before, the project will take place June 24th (Saturday) at St. Peters cemetery. We will start at 10:00 in the morning it will take about 3 hours. But if it so happens to rain, or if there is a funeral on that day, the project will take place Sunday the 25th at 1:00. If you can only stay for a little bit that works too. I am looking for 6 to 8 good workers. Also people who can follow directions. Lunch will be provided. If you and/or your family are willing to help you can contact me at. 218-732-8399 or email me at [pack58patchman@hotmail.com](mailto:pack58patchman@hotmail.com). (sic)

## Faith, Wellness, and You

June is Men's Health Month. The purpose of men's health month is to heighten the awareness of preventable health problems and encourage early detection and treatment of diseases. Men of all ages, should have their blood pressure checked yearly, as well as a rectal exam. Men should have a physical exam, blood work, and urine tested every 1-3 years, depending on age. An EKG (to check for heart abnormalities) should be done at least every 2 years after age 30. Tetanus booster needs to be given every 10 years. PSA (blood test for prostate cancer) should be done every year after age 50 unless high risk. Self exams are to be done monthly. Self exams include: testicles to find lumps, skin to find changing moles, oral to find lesions in the mouth, and breasts to find abnormal lumps.

Did you know...? If you have any questions about what type of screenings should be done, your primary care provider is an excellent resource to answer all of your questions, and most insurance plans cover preventive exams/screenings. You can contact your parish nurses at: Diane: 218-255-1270 and Tiffany at 218-252-8227.
